## Wanted by FBI

This is a late picture of Walter Kappe, 37, lieutenant in the Intelligence Section of the German Army, former instructor in the sabotage school near Berlin, where Nazi saboteurs captured last Summer were trained. Once a German-language editor in Chicago and Cincinnati, he returned to Germany in 1937. The FBI believes he may be in the U. S. A. now. The new picture ostensibly was taken in Germany, but the FBI isn't telling how it got here.
